

### **St. Luke's Anti-Bullying Pledge**

We the students of St. Luke's Science and Sports College agree to join together to prevent bullying. We believe that everyone is equal and that our differences should be celebrated. Bullying will not be tolerated and will never be justified as 'kids being kids' or 'we were just messing about and having banter'.

By signing this pledge, we the students agree to:

- Celebrate our differences and treat everyone with respect.
- Not become involved in bullying or be a bully.
- Know what to do if we witness any bullying and report honestly.
- Provide support to others in vulnerable places around the College where staff may not be present.
- Support students who have been bullied in a positive way.
- Talk to teachers and parents about any concerns you may have about bullying.
- Work positively in the College to support our anti-bullying work.
- Be a good role model to younger students.
- Participate fully in assemblies and tutorials regarding bullying.
- Resolve any friendship issues in a restorative way to prevent any bullying occurring.
