Achievement Ceremony

On behalf of the Governors and staff of St Luke's, we would like to welcome parents, relatives and friends to this Celebration of Achievement, in the magnificent surroundings of Exeter Cathedral.

We are proud to welcome, as our guest speaker this evening, Elite Olympic Winter Athlete, Adam Pengilly who will talk about inspiration through faith and determination.

We celebrate this evening, all kinds of achievement. Some students have made outstanding academic and sporting progress, others have contributed to the life of the college through their service as House Captains or College representatives. The Spirit of Devon Award is supported by Devon's Childrens and Young Peoples Services and is a new award for young people who best illustrate enjoyment and engagement with the learning process.

We will be entertained tonight through music, drama, art and dance, by the creative talents of some of our students. We are especially proud to welcome back students who have left us this summer and whose achievement in their KS4 Examinations we celebrate, wishing them continued success in the future.

Finally, We would like to extend grateful thanks to the Dean and Chapter of Exeter Cathedral for welcoming us to this superb venue for our celebrations and for the support of the Diocese in the education and nurture of the young people in our care.
