Dear Parent/Carer,

Re: Pupil Premium funding supporting Curriculum Enrichment Week

As you may be aware Pupil Premium is funding received from the government in addition to the school's budget. It is targeted at students who have received free schools meals in the last 6 years, students from a forces background or 'looked after' students, to help them achieve more in their academic and social lives. Schools are free to decide how to allocate this funding to raise the attainment of the students in receipt of this benefit.

St Luke's has decided that an amount of the funding received for the 2015/2016 academic year will be allocated to support the individual needs of each Pupil Premium student. Therefore I am pleased to advise that a sum of up to £50 has been made available to support your child's Curriculum Enrichment Week choice.

Students have now been allocated an activity from their chosen preference list and deposits are being collected by the school. If you would like to use this additional funding which is available to support your child's choice please email your request to ktaylor@st-lukes.devon.sch.uk. Please include your child's name, activity choice and the amount you wish to claim.

Alternatively please complete the application form below and return to College as soon as possible. Please ensure all requests are received by Friday 12th February 2016.

If you require any further information regarding Pupil Premium funding please contact me at the College.

Yours sincerely

Mrs Harrison-Ward
Strategy Lead for Pupil Premium
