Dear Parent/Guardian,

Science

Each year tutor groups at St. Luke's College collect items to send as Christmas presents to children in Moldova. Moldova is the poorest country in Europe with extreme poverty and very poor standards of living meaning for many children in Moldova, this might be the only present they **ever** receive.

Each year tutor groups fill shoe boxes that will then be collected by the charity CR2EE, (Christian Response to Eastern Europe), and transported to Moldova.

If your son/daughter could donate any of the items listed below, it would be very gratefully received. The final date for donation is Friday 13th November.
