Dear Parents / Carers

## Re: Appointment of Principal

I am writing to thank you in advance for your continued support following my recent permanent appointment as Principal at St Luke's Science and Sports College. I am delighted and very privileged to have the opportunity to continue to lead the College, building upon our successes to improve our educational experience for your child.

I would also like to express my sincere thanks to the Governing Body for their full support and for their sheer dedication to the College.

St Luke's is an exceptional College. I am proud that we have a culture of excellence and aspiration, with every student being challenged in their academic studies and encouraged to grow as a young person.

I am incredibly fortunate to have a team of staff who are hardworking, motivated and share my passion and enthusiasm for education. They also have the highest aspirations for every student and together, we strive to foster the talent and potential that exists in every child.

There are many areas of our work that I wish to improve further and develop as our expectations of ourselves are exceedingly high. Your feedback and thoughts are always welcome and will help us shape what we do.

On Monday 9<sup>th</sup> March, 5:30pm – 7:00pm, I will be holding a 'Meet the Head' evening that is open to all parents, carers and members of the community. It is an opportunity for you to join me to ask any questions or to simply be welcomed into the College to meet myself and members of my Senior Leadership Team. If you would like to join us, please do register via the website.

Finally, being the Principal at St Luke's is a great responsibility and I want to assure you of my total commitment. I will continue to champion every student and challenge them to be the very best that they can be. Whether this be in the classroom, in the forthcoming College Production of the 'Addams Family' (blatant plug!!), from the side line of one of the many sporting fixtures or through any and every other opportunity, I will ensure that St Luke's truly delivers 'success for all'.

Yours sincerely

Dave Holt  
Principal
