SPORTS COLLEGES

Dear Parents,

ITALY 25-30 March 2015

We are writing to inform you that there will be a meeting for you and your child for the Italian trip in the main hall at St Luke's Science and Sports College at 5.00pm on Wednesday 11th March. **We would like you to bring your child's passport and E111 health card** on the evening so we can photocopy them and keep them safe for the departure on Wednesday 25th March. Please note that it is obligatory for a parent/carer to attend this meeting with their child.

Please also note that the E111 card is simple to obtain and free of charge by logging on to www.ehic.uk.com or by telephoning 0845 606 2030 or by obtaining an application form from any post office and applying by post if you have not already done so. We urge you to check the expiry date on your child's card should he/she already have one. Cards are easy to renew and to obtain and take between 7-10 days to arrive. With this in mind we urge you to apply for one sooner rather than later.

We intend leaving the school at 08.30 in the morning on Wednesday 25th March and we shall return at about 6.30pm on Monday 30th March, 2015 although this is of course subject to possible delays out of our control. .

At our information evening we shall be issuing each student with a comprehensive booklet which gives details about the travel arrangements, hotels, trips and visits undertaken and much more and you will have the opportunity to ask any questions you may have and meet the staff taking your child on this trip.

We look forward to meeting you on the 11th March at 5pm and we estimate that the evening will conclude by 5.30pm at the very latest.

Yours Sincerely,

Ms Geeson/- Activity Leader
