SPORTS COLLEGES

Dear Parent / Carer,

Depending on which Tier your Son/daughter is sitting, they have either sat one exam or have both left to complete. I am writing to outline what support there is available to help them in the remaining days before their final Maths GCSE exams. The exam dates left are:

- **Thursday June 4th – 8.45am Foundation OCR (Calculator Paper which is 1 hour 30 mins) and Higher Edexcel (Non-Calculator Paper which is 1 hour 45 mins).**
- **Monday June 8th – 8.45am – Higher Edexcel (Calculator Paper which is 1 hour 45 mins).**

1. Half Term support

On Thursday 28th May the Maths Department are offering Revision from 10am to 3pm. Your son/daughter should already be aware of this.

2. Online support

There are a number of very good websites offering revision help and some with excellent videos to support worksheets that they have.

- **Just Maths**

www.justmaths.co.uk/online

This is a subscription website of which we have paid so that students can use. It has 40 common topics that appear in exams with tutorial videos in how to answer the questions. The details to login are:

Login: LukesStudent

Password: Lukes

- **Hegarty Maths**

<http://www.hegartymaths.com/>

<https://www.youtube.com/user/HEGARTYMATHS>

This is an exceptionally fantastic website (similar in idea to Just Maths) but with many more videos and it is free to use – you just need to register.

- **Mymaths**

<http://www.mymaths.co.uk/>

A very subscription website (of which we have paid for) which students should be

- **The School's VLE**

<http://stlukes.fireflycloud.net/maths/gcse-mathematics-revision>

There are past papers with mark schemes, plenty more practice material, topic list and exam advice.

If you do not know how to log onto the VLE then email mr.coren@st-lukes.sch.uk and he will send you details.

3. Breakfast Club

On the morning of the exams from 8am there will be rooms available for your son/daughter to come into and either just have some food/drink (provided), do maths or just ask any last minute questions they may have.

If you have any questions about any of these support systems please don't hesitate to email mr.coren@st-lukes.devon.sch.uk

I wish your son/daughter every success in their exams this summer and for the future.

Lindsay Coren
