Principal: Mark Pinchin

27th March 2014

Dear Parents/Carers,

I am sending you all this letter accompanying a letter for our students to let you know that I will be relinquishing my position as Principal on 31st August 2014.

It has been 5 glorious years where working with staff, students, governors, yourselves and the community we have all taken the College forward to hitherto undreamed of levels of success.

Not only are we the highest performing school in Devon in terms of progress, we have developed an excellence in education and opportunities for our students that bears scrutiny with the very best.

I am sure that like me you took enormous delight in reading our recent Ofsted report and on my daily tours visitors marvel at our calm, purposeful and positive atmosphere.

You can be absolutely assured that our governing body will find an outstanding Principal to build on our successes and lead our College forwards in the future.

I would like to thank you all for your support. It has been wonderful working with you to create a school that is really special!

We now have much to do across all year groups as we prepare for a very exciting time of the year, hopefully with the rain behind us, and of course our Year 11 students are working very hard towards their examinations.

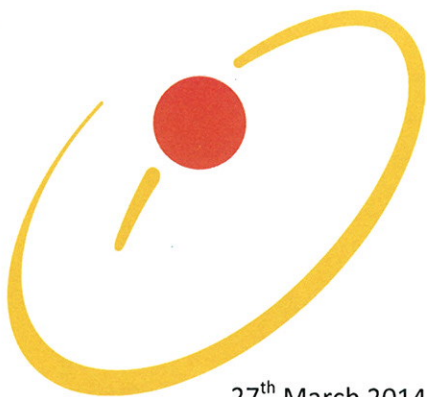

We wish them enormous success and of course we have our 'We will Rock You' production to enjoy!

I look forward to meeting with as many of you as possible and continuing our work together for the success of our fantastic students in the months ahead.

Yours faithfully,

Mark Pinchin
