Dear Parent/Carer,

RE: St. Luke's Science and Sports College Website

I am delighted to inform you that St. Luke's Science and Sports College will be launching our new website from Monday 7<sup>th</sup> March 2016. I sincerely hope that you will log on at [www.st-lukes.devon.sch.uk](http://www.st-lukes.devon.sch.uk) to view our new site and take the opportunity to browse through the information contained within it. In particular you will find updated pages for each subject highlighting all teaching staff as well as giving you information on the subjects themselves alongside subject specific news items. We also have information related to our pastoral and student support systems as well as copies of key school documents such as our latest Ofsted report, The Statutory Inspection of Anglican and Methodist Schools (SIAMs) Inspection Report and essential policies. We have added a new section on Achievement and we would like to encourage all parents to read through this information which will be constantly updated in line with Government changes. This is also where we will provide essential materials for our year 11 students as they get closer to their GCSE exams.

Of course in this new technological world in which we live, it is important to highlight the sections on E-safety and remind you that both you and your child are able to report any online abuse or bullying issues using the E-safety, safeguarding and anti-bullying buttons available on the new site.

The College website is the gateway to our school for many visitors, prospective students/parents and of course you as parents/carers of current students. We sincerely hope that you will use the site to keep up to date with key dates and events whilst also enjoying the news stories in which we are able to share the amazing successes, efforts and achievements of our students. The site is designed to work on mobile devices and does contain links to our other platforms including E-praise and Schoolgateway.

May I take this opportunity to thank you for your continued support of St. Luke's and also, unashamedly, plug our annual production of Grease which will take place from Wednesday 9<sup>th</sup> - Saturday 12<sup>th</sup> March. Tickets are currently on sale and we encourage everybody to come along to 'enjoy the show'.

Yours sincerely

Miss Sherwood  
Deputy Principal
