17<sup>th</sup> March 2014

Dear Parents and Carers,

As year 11 students prepare themselves for their final exams Parents and Carers often ask what they can do to help support their child at home. We would therefore like to invite you to join your child in an interactive revision Parents' Evening where, together, you can explore the techniques which work best and be better informed about the demands of the various exams. The evening will be on Wednesday April 2<sup>nd</sup> and will run from 6pm until 8pm and refreshments will be available.

In the first half of the evening, members of the English and Maths teams will deliver sessions in the Library designed to support the students with their revision for these exams. The second part of the evening will involve a series of interactive sessions which you can choose from. These will be run by members of other subject areas and will cover specific and targeted revision skills.

We are hoping that parents will join in and work on the available activities with their children and prizes will be available.

Please return the slip below indicating whether you will be able to join us for this evening.

Yours sincerely

Gail Whalley  
Assistant Principal

Students name:.....TG:.....

Parents name /s:.....

We will / will not be attending the Year 11 study skills revision evening on 2<sup>nd</sup> April between 6 and 8pm
