

TB (TUBERCULIN) SCREENING RECORD CARD

Dear Parent/Carer,

The BCG vaccination for TB is not given routinely as it was in the past. We are now running a selective vaccination programme for those children who may have been exposed to the disease.

Please complete this questionnaire to help us decide if your child needs the BCG vaccination. Once completed, return it in an envelope, **for the attention of your school nurse** within one week of receipt to the visitor's reception. If your child is identified as requiring the vaccination, you will be contacted by the Immunisation Team.

BLOCKCAPITALS PLEASE

SURNAME	FORENAMES	ADDRESS	SEX
DATE OF BIRTH	SCHOOL/COLLEGE	PARENT/CARER CONTACT TEL. NO.	
FAMILY DOCTOR & SURGERY		NHS NUMBER	

Has your child already had the BCG vaccination?	YES	NO
There is no need to re vaccinate
