Science

Dear Parent/Carer

May I take this opportunity to thank you for your continued support for what has been a fantastic term at St Luke's. In particular, can I ask you to pass on the sincerest congratulations from me and my team of staff to our wonderful students, who have responded so well to our changes to the behaviour system and who have taken up so many of the opportunities offered to them throughout the term.

It was with such pride that I was able to present many of our students, both past and present, with awards at the Excellence in Exeter Ceremony and also write to many throughout the term to congratulate them on their efforts or successes whether in the classroom, on the stage or in the field of sport.

As we near the end of term, I would like to make you aware of the events being hosted to celebrate the festive season and also the arrangements for our final day of term.

During lunchtime on Wednesday 16th December, we will enjoy our Christmas lunch which is available to all students who have registered prior to Wednesday. In addition, in the evening on Wednesday 16th December, we will be hosting our first ever Christmas Craft Fair in the atrium between 5pm and 8pm, during which our Carol Concert will take place in the main hall from 6.30pm. I do hope many of you will join us for these events.

On Friday 18th December, our final day of term, we will be hosting our annual talent show. Students can purchase tickets next week. This day will also be non-uniform with students asked to donate £1 and wear their Christmas Jumpers. Monies raised from this will be shared between our selected charity Macmillan and our own Epraise rewards system.

In terms of timings for our final day; students will be asked to return to their tutor groups after lunch and will be released at the slightly earlier time of 2.30pm.

Once again, thank you for your continued support and I wish you all a peaceful Christmas and New Year.

Yours faithfully

Mr D Holt
Principal
