Dear Parent/Carer,

I am writing to remind you that following the issue of Year 11 reports last week, we will be holding a Year 11 Parents' evening on Wednesday 21st January from 4-7pm at which we are very keen to see all our students' parents and carers. This is the last opportunity we will have to discuss what needs to be done to ensure your child meets or exceeds their target grades and to help you support them over the next crucial months as they revise for their final exams.

We will also have representatives from Exeter College and the Careers Service here so can I also remind you that applications for Exeter College are due by the end of this month if that is your child's preferred choice for further education.

I am aware that many of our students have already made appointments with their teachers but I did not want any parent to miss the opportunity of meeting with us so, in the event of a child not making any appointments, you may also receive a phone-call from their tutor to check the times you would like to attend.

As always, can I thank you very much for all your vital support behind the scenes which is particularly appreciated at this time. Revision sessions are available across all subjects and a mentoring programme will be in place to address individual needs where we feel this would be helpful. If you feel there is anything else we can do to ensure your child's success or if you have any concerns, please do not hesitate to contact me. Finally, may I wish you all a very happy and successful new year.

Best wishes,

Gail Whalley
Deputy Principal
