FOCUS ON GCSE PHOTOGRAPHY STUDENTS

Photograph taken by Danielle Bradford

A vibrant rainbow arches across a dark, overcast sky, framed by the curved metal structure of a stadium or arena. The rainbow's colors are bright and distinct, contrasting sharply with the grey, cloudy background. The stadium's structure, including railings and beams, is visible at the top and bottom of the frame, creating a sense of scale and location.

Year 11 students responded to the mock exam title of “Ordinary, Extraordinary” After weeks of preparation, they manipulated their images to attain the strongest final result.
